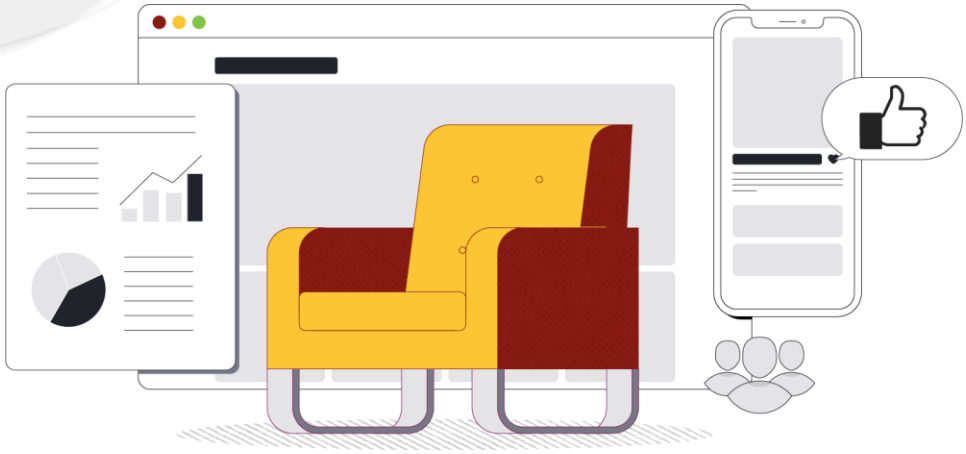
PERQ | Digital Advertising

The most powerful Digital Advertising in Home Furnishings

Leverage data no one else has to find more buyers, close more sales, and uncover which channels drive the most revenue for your store.



SMARTER DATA, MORE COST-EFFECTIVE CAMPAIGNS

Lookalike Audiences

We collect tons of unique data and use that info to target people that are most likely to shop & buy.

Sales Match back

With sales match back, Owners will see how actual sales numbers were impacted with their PERQ advertising investment.

Conversion Experiences

With the best web conversion solution in furniture, your sales team will truly feel the difference in customer activity.

AI Powered Lead Nurture

Branded messages with calls to action provide natural funnel movement for shoppers that engage with PERQ ads.

Relationship based on results! PERQ offers a 90 day pilot with opt-out to prove results with sales match back with **no long term contracts!**
