

Advertise BIG

use your delivery trucks, windows, walls and floors

Vehicle wraps and truck advertising are one of the most cost effective forms of advertising with the most visual impact.

Studies by the American Trucking Association show that 91% of consumers notice words and pictures when displayed on trucks. Trucks with advertising in metropolitan areas are seen by 14 million pairs of eyes per year.

Program Features:

- Create your own mobile billboard
- Advertise on delivery trucks or vans you already have
- Vehicle graphics are available as a wrap or reusable, changeable vinyl signs
- No recurring advertisement fee
- No contracts
- One-time cost

Also Available:

- Window graphics
- Wall graphics
- Floor graphics
