## Everything You Need to Support Your Team — All in One Place

As a member of HFA, you can access an exclusive benefits center built to make offering employee benefits simpler, more affordable, and more impactful — no matter your business size or structure. Our trusted partner Decisely provides personalized support to help you choose and manage the right benefits for your team.

### Why This Matters to You

Running a business is hard enough. Your benefits center helps you save time, reduce costs, and take better care of your people.

- **Attract and retain talent** with competitive benefits
- **Simplify benefits, compliance, and HR** in one easy-to-use platform
- **Control costs** without sacrificing the quality of benefits
- **Get expert support** from live, dedicated teams every step of the way

### Inside the HFA Benefits Center

Through your benefits center, you can explore:

- **Comprehensive health insurance options** — group plans and modern solutions
- **ICHRA** (Individual Coverage Health Reimbursement Arrangement) — a flexible alternative to group plans
- **Ancillary and voluntary benefits** — dental, vision, life, disability, and more
- **Compliance and HR tools** — support for onboarding, employee management, and regulatory requirements
- **Ongoing guidance** — real people and real advice when you need it
