

Lowest Rates in the Industry

what are you really paying for merchant card processing?

Put your membership to work and receive a **free, no-obligation statement analysis** that shows exactly how much you are paying for your current processing. This analysis will uncover any hidden fees and costs that interfere with your potential profits. These savings can more than pay for your membership!

Program Benefits:

- Interchange Plus pricing and only pay for the types of cards you receive
- No contract or early termination penalty
- No minimum volume required
- FREE equipment
- Seamless transition with no interruption in business

Attract new customers with our custom gift cards.

Available for all occasions, load any amount, increases brand awareness and improves sales. The first 25 are free!
