Businesses are required to complete an application and agree to terms and conditions at the time of enrollment. All businesses are subject to credit approval. Merchant services are provided by Paymentech, LLC ("Chase"), a subsidiary of JPMorgan Chase Bank, N.A. ¹Certain restrictions may apply. Not all businesses may qualify for Month-to-month or No Long-Term Contract, such as businesses who: require processing capabilities in multiple currencies, process over \$5 million in annual credit/debit card sales or have certain software or connectivity requirements. Qualifying businesses may terminate their contract at any time by providing 30 days' written notice. Businesses who receive a promotional consideration from Chase may be required to repay all or a pro-rated portion of the value of such promotional consideration if the contract is terminated within the first 24 months. Businesses who do not qualify for the No Long-Term Contract may be subject to additional terms and conditions, including a defined initial term and early termination fees. Talk to a Chase Representative for more details. ²Cost comparison will be based on a calculation of the overall cost for comparable services, as determined by the processing statements you provide, and will exclude all one time fees. Cost comparison results are estimates only and do not guarantee savings. In addition, inaccuracies in the comparison may occur due to pricing variances and complexities in the statements provided.
